# PRESTIGE 550

The Prestige 550 Flybridge, originally built in 2013 and extensively refitted in 2023, represents a pinnacle of luxury in the world of motor yachts.

Designed to accommodate up to 10 guests for daily charters and 6 guests for weekly charters, this vessel offers an exceptional and comfortable experience on the water. One of the distinguishing features of the Prestige 550 is its expansive open deck areas, providing ample space for guests to gather and enjoy the surroundings.

The yacht's luxurious indoor lounge offers a 360° view, allowing guests to fully appreciate the panoramic vistas. The large sun decks and protected dining areas offer the utmost in relaxation and privacy, ensuring a serene and indulgent charter experience.
